Principal's Message

Dear Parents

Thank you to the many parents and friends who joined us for the Presentation Day Ceremonies yesterday and made it such a special time for everyone. The organising committees – Mrs Gaddes, Mrs Houston, Mrs Adams, Mrs Saurins, Mrs White and Mrs Magann must be congratulated for their efforts in putting the program together. Thank you also to Peter Guest and the P&C for giving us the opportunity to publicly recognise the wonderful contribution that many of our parents have made to the school through their volunteer and fundraising activities.

Congratulations also to those students who were major award recipients on the day and while not everyone received a book or a plaque, personal best has been achieved and many success stories abound.

Our Captains and Vice Captains for 2012 have been announced (and pictured below) and I know they will lead our school with the same pride and distinction as our departing cohort.

We wish Mrs Robyn Gordon, Mrs Sturgess, Mrs Saurins, Mr Kuchling, Mr Vogel, Mrs Brown and Mrs Gaddes a wonderful and exciting new future as they take on new ventures. We sincerely thank them for their contribution to Floraville School and know we are a better place for them having been here.

Please have a safe and relaxing festive season and summer holiday time with your families. Thank you for your support throughout the year and we look forward to sharing many great times in 2012.

Hope to see you at Carols under the COLA tonight.

Positive Affirmation – Getting Along

“Be good, because Santa is watching!” The magic of Christmas is upon us and it's nice to know that Santa is watching all the good children at Floraville Public School. He knows when you've been good; trying your best in class, being a kind and helpful friend in the playground and a proactive global citizen, caring about and helping others who may not be as fortunate. Santa will be so happy to visit the homes of Floraville children because he knows that we are good.

It is so hard to contemplate leaving this magnificent school but as I do I feel a need to publicly thank so many people.

The parental support in this community is so amazing. Not only does the community support the P & C in its endeavors to better the school but it also plays a large role in the discipline system. It has been a highlight of my role as Deputy Principal to establish relationships with families as they support their child through what at times can be difficult situations. It is powerful partnership when school discipline procedures are fully backed up by supportive parents, because in the end, we all want what's best for the child.

The students at this school have amazed me for seven years. Their genuine 'goodness' and desire to do the right thing warms the heart. Their application to learning, their sense of civic responsibility and their capacity for proactive global action has given me hope for the future. Above all it is their sincere 'niceness' in the playground that continues to impress as time after time I see examples of good, strong social support around friendships in the playground, new students and in particular special needs students. The Floraville student body will always have my ongoing respect.

When asked, 'what is it that makes Floraville stand out as one of the most successful schools in the district?' my responses could be very comprehensive when describing the school, but ultimately I talk about the teachers. I believe that the team of teachers at this school consistently give 'above and beyond' and I have over the years had many moments when I have stood, flabbergasted at their talent and commitment.

Finally I would like thank my mentor and friend, Nielsine Oxenford and her professional executive team. I have learnt so much about leadership from Nielsine and will be always grateful for time I have had with her at Floraville. It's not always easy guiding the direction the school will take when you are in the 'seat' and I feel fortunate to have worked with someone who has compassionate at the base of her strong leadership skills .

So thank you to the entire Floraville 'clan' for many years of support in what has been a truly memorable journey.

Mrs Lee Saurins

Floraville P.S. Currently Focusing on Playground – Stop, Freeze, Teacher

This initiative requires our students to stop and freeze on the bell and wait for teacher's instructions to leave the playground in an orderly way.

NEW ADDITIONS TO THE SCHOOL

This week has seen the installation of two very special additions to our school. Firstly the basketball four-way hoop was erected. This was a gift to the school by the Year 6 of 2010. Thank you to Peter Guest, Chris Parke and Garry Marshall (foreman) for your hard work in making sure the concreting went smoothly! Also our Rainbow Serpent was erected along the wall below our Assembly Hall and adjacent to the Staff Room. During our NAIDOC Day celebrations all the students from K – 6 were able to contribute to this beautiful piece of art work. A big thank you to Lesley Duffin who always works tirelessly in making sure we have quality here at Floraville.

Lachlan Davis of 5/6 M proudly displays his artwork.

Matthew Langholz and Reegan Glover of 1/2R are to be congratulated for the effort in Mathletics this week. Matthew amassed an amazing 19326 points making him 4th in Australia and an incredible 15th in the world. Reegan managed to score 8000 points in just one morning. Well done to both boys.

Tips for Parents

Summer fire safety

Summer has officially started and with it comes the increased risk of bush and house fires. If you live in a bushfire prone area, ensure you have taken the necessary steps to protect your property and family from fire. Download a fact sheet: www.fire.nsw.gov.au/gallery/files/pdf/factsheets/02_bushfire_prep.pdf

It is now law that caravans and campervans be fitted with working smoke alarms. Check LPG gas bottles for leaks as this is how many barbecue fires start. Many more tips on how to enjoy a fire-free summer are on the Fire and Rescue NSW website: www.fire.nsw.gov.au

Remember in the event of a house or bushfire always dial 000. If your mobile phone is out of range, dial 112. Orientation information

Monday 5 December is official Orientation Day for Year 6 students around the state. This is one of many opportunities your Year 6 child can be introduced to the high school environment.

During the holidays, have a look at the great information on the School A to Z website about starting high school and what to expect in the senior years. You'll find a wealth of tips and hints about moving up to high school, including a vodcast you can watch together at: <http://www.schoolatoz.nsw.edu.au/wellbeing/development/starting-year-7>

You can also download a handy high school checklist at:

www.schools.nsw.edu.au/gotoschool/highschool/index.php

Help yourself and others

Young adulthood is an exciting time, but it can also be a time of emotional confusion and stress.

The Reachout website, www.reachout.com, has information on everything from family relationships, bullying, sexuality, to drugs and alcohol, grief and loss. There's also a helpline and live chat help.

Reachout has an internship program for students who are interested in working in the social services sector.

Flexible intern opportunities include the areas of marketing, IT, psychology, multimedia and more. Email nikki@inspire.org.au if you're interested.

Also check out the 'get involved' page for more ways young people 14-25 can help others:

IT WAS FANTASTIC TO SEE SO MANY CHILDREN ACHIEVE THEIR GOALS YESTERDAY AT THE PRESENTATION.

PRESENTATION DAY

The values of the pencils at Floraville School were very evident yesterday as each child received their awards. The smile on each child as they stood there for their photographs was inspiring. Both presentations were very enjoyable. Well done to the organising teachers. The performance of the boys choral group was great and I know that Mr Faulkner was very proud of their efforts. Well done to the Kindergarten children as they now move onto Year 1. Your performance was great.

Our Year 6 students have been praised all year, the comments they received in Canberra were fantastic. They can be proud of their achievements. Your families can be proud of each and every one of you. All the best as you move onto your chosen High Schools.

The year 6 of 2012 have some great role models to look up to. Good luck for next year for Buddy and Siena, you are both very popular choices for Captains.

Yesterday the P and C were able to recognise the service of Carolyn Armstrong to our school. Her input has been extensive for many years and the results that these efforts have are evident throughout the school. The school as a whole are proud of your involvement.

This week the P and C have been available to recognise the service of Noreen Brown and Robyn Gordon at the school. They have been here for many years and have seen many changes. Once again thank you for helping everyone at Floraville School over the years.

CAROLS

Due to this pseudo summer weather, the carols have been moved under the COLA. We have had enjoyable nights there before, so please bring your Christmas spirit and have a great night.
