## Term 4 Week 9

### Principal's Message

Dear Parents

With just over a week until the end of the 2011 school year activities continue at a frenetic pace. We are all looking forward to the Year 6 Farewell tomorrow night and with over 300 in attendance it certainly has been a major organisational undertaking and my sincere thanks go to the organising committee for their efforts leading up to this very special occasion.

The Presentation Day organising committees are also putting the final touches to next Tuesday's ceremonies. Admin staff in particular have a major role in co-ordinating and printing the hundreds of certificates which then need to be signed by various people as well as ensuring that everything matches the nominated students and classes. We hope you can join us on this day of celebration and recognition of all efforts during the year. It will give me great pleasure to announce our school leaders for 2012 as well.

Tenders have closed for the OOSH operating within Floraville School. The successful applicant will be advised tomorrow afternoon and it is anticipated that the new service will commence operation from Monday 9<sup>th</sup> January with a vacation care program. The current operators will remain open for business until Friday, 23<sup>rd</sup> December. Students enrolled or enrolling at Floraville PS will have priority to access the new service.

I would like to thank Mrs White for her efforts in securing good quality and value for our book packs. You will have received a list of the contents and prices and I believe they do represent good value for money. It will also ensure that every child has all of the requirements for each grade and be able to start the New Year fully prepared. The office is now accepting payments but will not be able to issue receipts for new kinders until next year.

Thank you for your ongoing support during this very busy time.

Nielsine Oxenford

Principal

### Positive Affirmation – Confidence

This week's affirmation; '**I choose how I feel by the way I think and talk**'. This affirmation is about **Confidence**. This reminds us that we are designing our own path in life every day. If we are thinking and saying bad things then we will end up feeling down. Think positively each day, think about nice things and say nice things to other people and you'll feel so good.

### Floraville School Presentation Day 2011

As a valued member of our school community, we would like to extend an invitation to you for the annual Floraville Public School Presentation Day Ceremony. As a school community we appreciate the significance that merit and recognition plays in the lives of our young students and we take great pride in welcoming you to help us celebrate the achievements of our school, our students, our teachers and our school community.

Where: Floraville Public School Hall

When: **Tuesday 13<sup>th</sup> December 2011**

Infants - K-2          Ceremony 9.30- 11.00 am

Primary - Years 3-6    Ceremony 11.30-1.30 pm

Please note: All K-2 students receive an award on the day but notification will be sent to the parents of students receiving a class award, a Program Achieve Award or any other special award.

Primary students: notification will be sent to the parents of students receiving a class award, a Program Achieve Award or any other special award

### Student Progress

It is so pleasing to read our students' reports and see so much progress in each student. Parents might like to know that while this is a stressful time of the year for teachers as they spend at least sixty hours at home, on top of working full time, writing reports, it can also be a lovely time of the year as it is common to come across teachers having 'feel good' conversations about the amazing progress of certain students.

In our school, the combination of quality teaching programs, professional, dedicated teachers, STLA (reading support), Reading Recovery and Learning Support Team Meetings ensures that every child has the opportunity to progress forward with their learning. At Floraville we ensure that no child 'slips through the net' and we undoubtedly act when it becomes apparent that there is an obstacle to a child's learning.

Of course, the missing piece of this is the role that our caring and supporting parents play. We are indeed fortunate in that we have the support of parents in our dealings with the children and that this in turn creates a wonderful caring community feel.

As one who is leaving this amazing school, I know I will miss this community, with its strong leadership, team of committed teachers and wonderful students who are keen to learn.

### Year 6 Fun Day

Year 6....take a bow! What a fabulous **Fun Day!** Year 6 were so motivated to provide exciting stalls and our children loved it. Visiting parents commented on the superb behavior of our students as they roamed freely around to each stall with their friends.

The stalls were just amazing....from staring competitions, commando courses, Floraville's next Top Model (complete with paparazzi), ice-cream shops, sock wresting, target throws, soccer goal shoot out to sponge throws and water pistol targets. Fun, fun....fun!!!!

Of course we must thank the parents who put in so much effort supporting their students in this endeavor. Your students are an absolute credit to you and we feel good that we are sending such a responsible and caring cohort of students off to high school.

Well done Year 6!

The exciting staring competition....Jack is so good at it!  
I know his real identity yet!

...and Spiderman was visiting for the day...and we don't

Singstar is always popular!

Fun, fun, fun.....

Best mates who ran a great target ball activity!

Even Mr Marshall got into the fun...visiting the nail polish stand!

Josh and Antonio...making a big effort to impress!

### **NUMBER ONE IN THE WORLD!!!!**

Each week the Mathletics trophy is highly contested between every class. Traditionally students have accepted the trophy after gaining 7,000 and sometimes 10,000 points toward their class tally. This week Isaac Ireland of 3/40 made an out of this world effort and amassed an amazing total of over 21,000 points. This earned Isaac the esteemed title of Number One in the world in the Mathletics Hall of Fame.

Recognising Zac and Giorgia of 3/40.

### 100 WRITING CLUB IN 1/2R

Today I had the pleasure of hearing some exceptional pieces of writing about Saltwater Crocodiles. Congratulations to Sam Norman, Alexia Street, Eve Oxenham, Isabella Halpin and Makenzi Harvey. Their information texts gave a rich knowledge and understanding about these amazing reptiles. Well done.

## Floraville P.S. Currently Focusing on Playground – Stop, Freeze, Teacher

This initiative requires our students to stop and freeze on the bell and wait for teacher's instructions to leave the playground in an orderly way.

## School News

### K-2 Assembly

Due to the 'busyness' of the last week of term, the K-2 assembly for Week 10 will be brought forward to Week 9 (Thursday 8<sup>th</sup> December) at 2.15pm in the school hall. This will be the last opportunity for students to receive their Floraville Badge for 2011. Please remember that these awards need to be earned and not every child automatically receives a badge each year. They must follow the values of the school pencil system of Confidence, Persistence, Organisation, Getting Along and Quality. These attributes need to be observed by teachers in the classroom and the playground.

### Belmont Community Carols

On Friday night 6 Floraville band members represented our school in the massed band for the local community's Carols by Candlelight. They performed along with students from Belmont HS, Whitebridge HS, Belmont PS and Jewells PS. After a quick change in venue to avoid the unseasonal weather, the band played popular carols such as Jingle Bells, Away In A Manger, Joy To The World and Silent Night for the community carol singing. It was an enjoyable night and a great start to our festive season.

To those volunteers who continue to work in and support our school canteen THANKYOU and we hope to see you once again in 2012.
