It is that time of the year again where our next event will be our popular Mother's Day stall. This will be held on Wednesday 10 May 2017. A separate note will come home shortly. Our fundraising team would welcome some assistance from parents / carers in setting up and managing the Mother's Day stall. If you can spare some time to help out during the day of Wednesday 10 May, our fundraising team will meet you from 8.30am under the COLA to commence setting up the stall. It is anticipated the stall will be open until the end of second break.

In the last week of Term 1, I was delighted to be invited to a meeting of the P&C Fundraising sub-committee. The committee members bought up some great fundraising suggestions and we look forward to the committee presenting these suggestions for discussion at a future P&C meeting. The ultimate plan is to assign each of our major fundraising events (Easter Raffle, Mother's Day, Father's Day, Calendar Art plus some extra exciting fundraising activities coming up) with a specific outcome that benefits the school. We intend on communicating this message to the school community, leading into each event, so everyone will know in advance what we plan to deliver with the valuable contributions you make to these major fundraising events. Unfortunately, we are not quite ready to communicate this message for our Mother's Day event, but as an example only, our future message to you may read something like, "*The funds collected from our [Easter Raffle / Mother's Day / Father's Day / Calendar Art] fundraising event will go towards the purchase of [insert]. The benefits of this to the school will be [insert]*".

During the holidays, I caught up with Federal Member for Shortland, Pat Conroy MP. Similar to our recent meeting with State Member for Swansea, Yasmin Catley MP, we spoke to Mr Conroy about opportunities for us to tap into some federal and commercial funding grants that can benefit our school. The P&C will be working hard on applying for state and federal grants and we expect to make some exciting announcements soon.

A reminder that the P&C Executive has called a Special General Meeting of the Floraville P&C Association at 6.30pm on Tuesday 9 May 2017 (the same night as our next ordinary general meeting which we will also conduct) in the school library. Our Secretary, Fiona MacKenzie, will be distributing important information regarding this meeting to financial members this week. Please contact me at the below email address if you are a 2017 financial member (or would like to be) and you have not received correspondence from Fiona by Monday 1 May 2017.
